

09 Childcare practice policy

Alongside associated procedures in 09.1-09.15 Childcare practice, this policy was adopted by Stock Pre-School on 1st September 2021

Aim

Children are safe, happy, and eager to participate and to learn.

Objectives

- Young children need to form a secure attachment to their key person when they join the setting to feel safe, happy and eager to participate and learn. It is their *entitlement* to be settled comfortably into a new environment.
- There is a procedure for when children do not settle and for prolonged absences.
- Introductions and induction of the setting is carried out before the child starts
- *Prime times* of the day make the very best of routine opportunities to promote 'tuning-in' to the child emotionally and create opportunities for learning.
- We operate a positive behaviour management approach. Behaviour management procedures cover how staff should respond to all aspects of behaviour, including children who exhibit challenging behaviour towards other children. These procedures build on the Early Years Alliance's approach to learning based on three key statements.
 1. Learning is a lifelong process, which enables children and adults to contribute to and shape their world.
 2. We want the curriculum we provide to help children to learn to:
 - be confident and independent
 - be aware of and responsive to their feelings
 - make caring and thoughtful relationships with other people
 - become increasingly excited by, interested in, and knowledgeable and questioning about the world around them.
 3. We provide a wide range of interesting child-chosen and adult-initiated activities which:
 - give children opportunities to use all their senses
 - help children of different ages and stages to play together
 - help children be the directors of their own learning
 - help children develop an inquiring and questioning attitude to the world around them

The *Early Years Foundation Stage* is used as a framework to provide care and learning opportunities for the Children

Waiting list and admissions

Our provision is accessible to children and families from all sections of the local and wider community. We aim to ensure that all sections of the community receive accessible information and that our admissions procedures are fair, clear, and open to all parents who apply for places. The availability of a place at the setting considers staff/child ratios, the age of the child and registration requirements.

- We endeavour to operate in an inclusive manner which enables all children and families to access our services.
- We also have regard for the needs of parents who are:
 - looking to take up work, remain in work or extend their hours of work
 - looking to commence training or education
- We work in partnership with the local authority and other agencies to ensure that our provision is accessible to all sections of the community.
- Services are widely advertised and information is accessible to all sections of the community.
- Where the number of children wanting places exceeds the number of places available a waiting list is operated using clear criteria for allocation of places as detailed in section 09.1 Waiting list and admissions procedure.

Funded places – free entitlement

All 3- and 4-year-olds in England are entitled to either 15 or 30 hours free childcare each week for 38 weeks of the year. Some eligible 2 year olds are also entitled to 15 hours..
