## EASTER BREAK

We close this afternoon for our Easter break and reopen on Monday, 13th April. We hope you have a lovely time over the next couple of weeks, and look forward to hearing about your adventures when we return.

As the weather has warmed up, it's been wonderful seeing our garden coming to life with new plants sprouting and insects buzzing around. If you're out and about over the holidays, why not do a butterfly count? They are starting to appear as the weather warms up and they love to flutter around in the sunshine.

## OUR WEBSITE

We regularly review the content of our website [www.stockpreschool](http://www.stockpreschool.org.uk) to ensure it remains current. It provides lots of interesting information for you and is the ideal place to check things such as term dates and current policies. Check out 'This term' on the OUR FOCUS tab which has recently been updated. Also, remember to regularly check our Facebook page [www.facebook.com/stockpreschool](https://www.facebook.com/stockpreschool) for news and to see our latest activities.

## SENSORY DEVELOPMENT

Senses play a vital role in all our lives. This document provides information on how our senses impact our ability to participate in everyday life. It gives details of each of the senses and explains how to understand children's sensory behaviours and how you can support them.
