WATER BOTTLES

We adhere to the Early Years Foundation Stage nutrition guidance regarding drinks, which states that only milk and plain water should be available; as such, only milk and water are provided by us. Please support this by not putting squash or juice in your child's water bottle; an alternative is to put a slice of fruit in the bottle if you feel your child will not drink plain water. We always offer milk and water at snack times and ensure water bottles are available to children throughout the day.

REPORTING ABSENCES - OUR CONTACT DETAILS

We have 2 tel no's; anything 'on the day' eg. child is unwell or you will be late for pick up, please call pre-school direct: 07488 437821. If your child is away due to being unwell, please let us know by 10am (or midday for afternoons). This is important as the office is off-site and only open part-time so messages may not be passed on in time. Planned absences eg. holidays, appointments should be notified by email to Nicola (stockpreschool@stockpreschool.org.uk) with as much notice as possible - this ensures a note is made on our register and will prevent us contacting you unnecessarily to find out why your child is away. For queries about funding, invoices, uniform, session changes etc. please email Nicola or call her on 07952 640570 during our office hours: Mon, Tues & Thur 9.30am-1.30pm and Fri 9.30am-12.30pm.

WATER SAFETY

Staying safe around water is vital. Many of us have access to water in our gardens, particularly now that the weather is warming up. The Royal Life Saving Society supports parents and carers of young children to enjoy water safely. Their campaign highlights the importance of never leaving children unattended around water: <https://www.rlss.org.uk/splash-safety>
