

SUN SAFETY - HOT, HOT, HOT!

We love to spend time outside, and it's been a beautiful week to be in our garden. We have some shade, but it's still important you apply suncream to your child (8+ hours if with us for the full day or leave a bottle/spray in their bag for us to reapply). Next week is forecast to be hot and super sunny:

Mon 22nd	Tue 23rd	Wed 24th	Thu 25th	Fri 26th
 28° 16°	 30° 16°	 29° 15°	 26° 15°	 28° 16°

SPARE CLOTHES

Please ensure you send in a spare set of clothes (including socks) each day as the children sometimes need to change after water play or being outside. We are running very low on our supply, so if your child has been sent home with any items from us please return them. We would also be very grateful for donations of any items you no longer need, thank you.

RISERS

On Monday, our Risers visited Stock Primary School for a hot school lunch. Although excited, they were well behaved, calmly lining up to collect their food and then carefully carrying their meals to join their friends. Well done Risers!

SPORTS DAY: Saturday 11th July (morning)

Sports day is always lots of fun; the children love to see their families getting involved, so don't forget to bring your running shoes! We hope to provide further details next week, including team colours, but are still waiting for a few families to let us know whether they can make it. We've sent a reminder to those of you who are yet to confirm - please respond before Monday, thank you.

The Essex Lottery - have you signed up yet? There is a £25,000 jackpot each week and regular special Super Draws. Taking part is quick and easy [here](#)

When shopping online, you can help us to raise funds by shopping through the link www.easyfundraising.org.uk/panel/, at no extra cost to you, thank you.
